Empowering Individuals

The Vidya Social Empowerment Center(VSEC) is an initiative to streamline and implement the social empowerment initiatives of Vidya International Charitable Trust. VSEC helms for the empowerment of essential pillars of the society- parents, children, youth and teachers-aligned with Vidya's core vision and mission.

The general objective of VSEC is to create a society where members possess a sense of responsibility that helps them as an individual and as a member of the society towards nation building.

Focus Points

Goal

To inculcate, elucidate, and imbibe ideas and Knowledge to enhance your skills.

Exploration

To provide the best quality understanding of each 'n' everything that will help to widen & sharpen your ideas and intelligence.

Benchmark

Divide yourself into a world full of knowledge and get to know the latest happenings around you.

Wings Of VSEC

Budding Wing

The budding wing focuses on empowering school students by

- ◆ Motivational Sessions
- ◆ Quiz Competitions
- ◆ Empowerment Programs
- ◆ Summer Camps

The programmes by Budding Wing are designed to help students to improve their communication, confidence and motivation and elevate themselves to their greatest potential.

Training Wing

The training wing is focused to prepare instructors to update themselves with the latest knowledge and skills through Training of Trainers (ToT) programmes. These programmes would help to present information effectively, respond to participant questions, and lead activities that reinforce learning. Training wing aims to develop essential skills for the teachers to deal with students and get an awareness of how to teach the newer generations.

Wings Of VSEC

Blooming Wing

The blooming wing is focused on developing career ready individuals who have an understanding of oneself, knowledge of career and work environments, formulating career goals and plans to achieve them.

This wing aims to develop essential skills which will help the participants to access a better career opportunities by

- ◆ Personality Development Training
- ◆ Basic IT awareness
- ◆ Communication skills and Soft skills training

Moulding Wing

The moulding wing focuses on parental education which improves parents' sense of self-efficacy and competency, as well as parental satisfaction. This wing will also help the participants explore the techniques for self-care, stay cautious about cyber security and fraud traps, and will also help parents to stay educated about effective screen usage of their children.
